RANJEET KUMAR || SOFTWARE DEVELOPER

I'm a dynamic and skilled software Developer. After gaining 7.5 years of experience as a web developer, I have honed my expertise in React, Vue, Angular, Express.js, PostgreSQL, and more. I have collaborated with enthusiastic engineering teams to develop and optimize B2B portals and various national and European projects. In my role as an Independent Consultant, I successfully developed and optimized SEO-friendly websites and applications.
